

# Partner ★ Plan ★ Act

an Illinois Action for Children Community Systems Development Initiative

## Annual Conference Request for Proposals Equity from the Start: Shifting from Intentions to Outcomes

DoubleTree by Hilton Bloomington  
10 Brickyard Drive | Bloomington, IL 61701  
June 11-12, 2020

The Partner Plan Act conference brings together early childhood leaders, school districts, program staff, and others to learn, network, and deepen their community systems knowledge and skills. Workshop topics from previous years include effective strategies for supporting priority populations, essential mindsets and practices for leading community systems, mental health consultation, and much more.

Please submit all proposals to Kristina Rogers at [kristina.rogers@actforchildren.org](mailto:kristina.rogers@actforchildren.org) by December 19, 2019. For additional information or questions please contact Kristina.

All proposals must be submitted in the format provided. Proposals will be selected based on guidelines for approval in the Gateways Registry and with assistance from the Partner Plan Act Conference Advisory Committee. If selected, the description must match the workshop presented. Additional information or revision of workshop format or content may be requested. You will be notified of acceptance by February 4, 2020.

**Workshop Title:** \_\_\_\_\_

**Please write a short description of your workshop that will be included in the conference booklet.** (character limit 400)

**Partner Plan Act is committed to embedding an equity lens into Community Systems Development work. All presenters will be asked to include a slide answering these questions: How does your presentation address racial inequities in early childhood? What positive impacts on equity and inclusion could result from your presentation? Please share your response to these questions.**

**As Partner Plan Act wants to encourage systems work and bringing diverse stakeholders to the table to work on early childhood system issues, there is a desire to share the conference with a wider audience. How will you market the conference to your network?**

# Partner ★ Plan ★ Act

an Illinois Action for Children Community Systems Development Initiative

**We are committed to ensuring that participants are engaged in constructing their own knowledge. How will you facilitate active learning and ensure that participants leave with new knowledge, tools, and strategies?**

**Is there anything else that you would like us to know about your presentation?**

## **Learning Objectives & Assessment of Objectives:**

Learning Objectives	How Participant Progress Toward Meeting Objective Will Be Assessed During Workshop
